

# THE LIGHTWEIGHT CONTENDER WITH A BIG PUNCH.

It needs to be small in size but big on performance, easy to handle and extensive in its features, print quickly but incur costs slowly, be high on performance but low when it comes to noise emission. Does this sound like the 'jack-of-all-trades'? That's exactly what we've developed for you – twice over with the P-4020DN and P-4020DW A4 black and white printers. These printers are not only incredibly productive, they are, above all, extremely compact, which means they can find a suitable place to work in even the smallest office. The system's Management codes function ensures that an overview of incurred printing costs is possible at all times. For us, this means: A job well done, for you it means: a serious contender.

## HIGHLIGHTS:

**Powerful:** The fast processor, 256 MB RAM and Gigabit Ethernet interface ensure that even complex documents can be processed ultrafast with a print speed of 40 A4 pages per minute. This means there are virtually no limits to your productivity. We've nevertheless managed to package this outstanding power into a very space-saving design so that the printer can find a place where there is often little room, such as directly on your desk.

**Transparency:** Thanks to the Management codes administration, you can keep an eye on and plan your printing costs precisely. A total of 20 management codes are available that can be used to manage the number of print jobs per user or department, or limit the overall print volume level. Once Management codes administration has been activated, the respective management code is transmitted for each print job so that you always have a clear overview of costs and media.

**Simple:** Both printing systems offer a two-line LCD display that features clearly understandable buttons. This makes the systems easy and straightforward to operate. For example, all it takes is a simple press of a button to switch the noise-reducing 'Quiet mode' on and off. It couldn't be easier.

**Flexible:** The USB host port integrated on the front of the printer allows you to print your documents directly and conveniently from a USB stick. This saves you having to use a computer and printer driver and ensures you receive your printouts with speed and flexibility. The P-4020DW is also equipped with a wireless Wi-Fi-interface as standard. This allows you to start a print job from your mobile device completely wirelessly.

## TECHNICAL DATA

### General

<b>Type</b>	Desktop
<b>Function</b>	Print
<b>Print technology</b>	Laser b/w
<b>Print format</b>	max A4
<b>Print speed</b>	max 40 A4 pages/min, duplex: max 20 A4 pages/min
<b>1st page</b>	6.4 seconds*
<b>Warm-up time</b>	15 seconds*
<b>Print resolution</b>	600 x 600 dpi, 1,200 x 1,200 dpi
<b>Greyscales</b>	256
<b>Paper feed</b>	1 x 250 sheet universal cassette (A6R-A4), 100 sheet multi-bypass (A6R-A4)
<b>Paper weights</b>	Universal cassette 60-163 g/m <sup>2</sup> , multi-bypass 60-220 g/m <sup>2</sup> , duplex 60-163 g/m <sup>2</sup>
<b>Paper output</b>	250 sheet A4
<b>System memory</b>	256 MB RAM, max 256 MB RAM
<b>Processor</b>	Cortex-A9 / 800 MHz

### General

<b>Interfaces</b>	USB 2.0, 10/100/1000BaseTX, USB host, SD slot, Wi-Fi (only P-4020DW)
<b>Network protocols</b>	TCP/IP, NetBEUI
<b>Operating systems</b>	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2, Linux, Mac ex OS 10.5
<b>Emulations</b>	PCL6 (PCL5e, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIe, Line Printer, IBM Proprinter, Epson LQ-850, PDF 1.7, XPS, Open XPS
<b>Functions</b>	USB direct printing, PDF direct printing, printing of e-mails, private printing, quiet mode (half speed mode), barcode printing, Mobile Print (Android/iOS)/Apple AirPrint, Google Cloud Print, Wi-Fi Direct® (only P-4020DW)

### Dimensions/Weight

<b>Dimensions</b>	272 x 375 x 393 mm (H x W x D)
<b>Weight</b>	approx. 14 kg

### Environment

<b>Mains voltage</b>	220/240 V, 50/60 Hz
<b>Power consumption</b>	approx. 974 W max, approx. 620 W in operation, approx. 8 W in stand-by mode, approx. 0.8 W in sleep mode, TEC value: 0.45 KWh/week
<b>Noise level</b>	approx. 48.8 dB(A) in operation, stand-by mode: immeasurable (ISO 7779/9296)
<b>Safety</b>	GS/TÜV, CE

### Options

<b>Paper feed</b>	max 2 x PF-1100 (250 sheet universal cassette [A6R-A4, 60-163 g/m <sup>2</sup> ])
<b>Other options</b>	Card authentication kit (B), UG-33 ThinPrint® kit, cabinet no. 78

UTAX has been a trade mark for professional office technology since 1961. As the partner of a German wide dealer network and international distribution, we are specialised in the distribution and integration of printing, copying and multifunctional systems in corporate IT and public sector, amongst others. With the MDS solution UTAX smart for example, output systems can be controlled regardless of the manufacturer and the infrastructure can be optimised in line with demands. UTAX recommends the use of original UTAX accessories for trouble-free operation of your system. For recommended print media refer to the user manual. UTAX and the UTAX logo are registered trade marks of TA Triumph-Adler GmbH. All other brand names referred to are registered trade marks of the respective manufacturers.
